AMENDMENT

Commissioner for Patents  
Washington, DC 20231

Dear Sir:

In response to the Office Action dated October 3, 2002, please amend the above-identified U.S. patent application as follows:

Please amend the claims as follows:

1. (Amended) A method of providing voice responses to commands comprising the steps of:  
receiving a spoken identifier; *said call*  
attempting recognition of said spoken identifier to identify a subscriber; *phn = 763 981 9956*  
selecting a first processing option in connection with said subscriber;  
providing a voice message indicative of said first processing option;  
providing a silent delay period of a predetermined duration immediately subsequent to a  
completion of said step of providing a voice message, and selectively (i) initiating alternate  
processing in connection with said subscriber in response to a receipt of, and consistent with, a  
second command input during said silent delay period, and (ii) initiating said first processing
